### 3. Tampilan halaman admin untuk menverifikasi akun pelanggan yang baru terdaftar

The screenshot displays an admin dashboard with a sidebar menu on the left and a main content area. The sidebar menu includes sections like MASTER DATA, TRANSAKSI, and LAPORAN. The main content area shows a table of customer accounts with columns for Nomor KTP, Nama, Alamat, Email, Telepon, Image, Status, and Aksi. The Status column indicates whether the account is 'Unverified' (red background) or 'Verified' (green background). The Aksi column contains a blue 'Ubah' button for each entry.

Nomor KTP	Nama	Alamat	Email	Telepon	Image	Status	Aksi
	Reza Darmawan	Jl. Moonwalk no.55	rezadarma@gmail.com	082245879865		Unverified	Ubah

	Ahmad Putra Syahbani	Jln Bulang no.54	ahmad.putra@gmail.com	0815848133329		Verified	Ubah

At the bottom of the table, there is a pagination control showing 'Previous', '1' (selected), and 'Next'.

The screenshot shows the same admin dashboard as above, but with a success message overlay in the center. The message is a white box with a green checkmark icon, the text 'Berhasil' (Successful), and 'Status Terverifikasi' (Status Verified). There is an 'OK' button at the bottom right of the message box. The background shows the customer list table, which is partially obscured by the overlay.
